Spring 2013 15 th EAN Workshop, 1 st Programme Committee meeting Autumn 2013 2 nd Programme Committee meeting Spring 2014 15 th EAN Workshop - “ALARA Culture”	ALARA Culture —deferred to 15 th EAN Workshop.
	Promote international initiatives to help disseminate feedback and lessons learned from incidents (e.g. by giving support to the RELIR/OTHEA website)		
	Collaborate with European networks whose objectives aim at improving and developing radiation protection E&T (e.g. ENETRAP, EUTERP).		

Other Planned Activities – if possible to insert into above plan			
	<i>June 2011 ERPAN and EAN SG meetings</i>		
	December 2011 New EAN website - “ALARA” portal		
	December 2011 EAN Steering Group meeting		
	May 2012 13 th IRPA International Congress – Glasgow		This could meet some of the above objectives?
	<i>June 2012 ERPAN and EAN SG meetings</i>		
	December 2012 EAN Steering Group meeting		
	<i>June 2013 ERPAN and EAN SG meetings</i>		
	December 2013 EAN Steering Group meeting		
	<i>June 2014 ERPAN and EAN SG meetings</i>		
	June – December 2014 Formulation of next Strategic Plan (2015-2020)?		
	December 2014 EAN Steering Group meeting		
	<i>June 2014 ERPAN and EAN SG meetings</i>		
	July 2015 End of the strategic plan
